

**Buckeye Elementary School
PTC Meeting Minutes
January 23, 2008
Buckeye Library**

Lori Burne called the meeting to order at 7:00 p.m.

Treasurers Report

Current account balance is \$12, 712.44. Estimated pending expenses from assemblies, Author visit, and Red Ribbon Week, bring the estimated current balance to \$ 8,112.44. Revenue from cookbook sales has not been accounted for.

Old Business

Winter Workshop

The workshop broke even, but was well attended and everyone had a great time.

Cook Book Sales

With sales of about \$1700.00, the fundraiser has broken even. However, cookbooks are still available, and will be sold at the Ice Cream Social and the District Anniversary.

T-Shirts

Shannon Starr brought in some cute, new styles to show our school spirit. Included are a rhinestone bobcat face, rhinestone tank, and jersey sleeve style. Will make a definite deadline for first order.

PTC Website

The website at buckeyepc.org is currently not linked to the school site.

New Business

Author Luncheon

PTC will provide lunch, drinks, dessert, homemade salads and homemade soup.

Fall 2008 Fundraisers

Nikki Costello found a new company to possibly use. Discussion was tabled until a later date.

Family Dance

Nobody to chair this year, so the dance has been scrapped.

New Business Cont'd

Applebees Fundraiser

"Family Night" at Applebee's. To take place on one specific night. Possibly a class specific fundraiser. Concern: may be too crowded to take place on just one night.

Kindergarten Fieldtrip

"Winnie the Pooh" play at the Crest Theatre in Sacramento on April 24th. Total cost is \$ 1100.00. Kindergarten will raise half of the cost, PTC to pick the other half. Aimee Hall made a motion not to exceed \$800.00. Nikki Costello seconded. Motion approved pending District approval for the trip.

Laminating Machine

This is an item that is not District provided. It's considered an "extra". The machines cost between \$1350 - \$2500.00, plus tax and shipping. If purchased, the PTC would like to have access to it as well. Shannon Starr made a motion not to exceed \$2200.00 total, but only if current machine completely quits and "dies". Nikki Costello seconded, and the motion was approved.

Ice Cream Social

Friday, May 9th

Jill Lerner is the chair this year, and planning is underway! The call has gone out for volunteers. Tracy Davis is the raffle basket contact, and anybody wanting to help or donate, please contact Anne Maiello or Jill Lerner.

Buckeye School and District Anniversaries

May 30th

Dan and Kathy McPherson are heading up the Living History Day. Included: a roaming display of Buckeye history; Pony Express exhibit; square dancing; hands on activities; and a one room schoolhouse. \$400.00 was requested to cover K/1st activities and a "Cowboy Hay " assembly. Nikki Costello motioned for the \$400.00 as requested; Stephanie Mitchell seconded. Motion approved. About 20 parent volunteers are needed for the day time portion of this big event.

New School Construction

The PTC area in the lunchroom will need to be cleaned and cleared out after the ICS. The room will be torn down after school lets out. Where to store etc. tabled until next meeting.

Mrs. Osucha recently passed away. A tree will be planted in her memory. Nikki Costello will coordinate. Type of tree TBD

Meeting adjourned at 8:35 p.m.

Next meeting will be 2/27 at 3:30. Since amended to March 5th @ 3:30.
