

**Buckeye Elementary School  
PTC Meeting Minutes  
October 15, 2008  
Buckeye Library**

Laura Kujawa called the meeting to order at 5:35 p.m.

**Treasurers Report**

Amanda couldn't make the meeting, but provided a handout detailing revenues and expenses.

**Old Business  
Storage**

Staci Allen currently working on this. She is having trouble getting Barnco to call her back. Maybe a group can go out and look??

**Yearbook**

All school photo is to be taken on Monday, October 20th. She has received calls from parents volunteering help.

**Box Tops for Education**

Great Idea! To generate the Box Tops getting back to school, Lori Burne has offered to organize a kid participation project. Possibly each child turning in project will receive a Buckeye Buck.

**E-Scrip**

Tina Goins-Jovovich will head the "Escrip table" at the Harvest Festival to make everyone aware of the program and its value. She will also keep the program highlighted in the newsletter to help boost our revenue.

**New Business**

**PTC Newsletter**

The PTC newsletter is now officially out. Tina has done an outstanding job. She has also gotten a price break from the Fedex/Kinkos in Placerville.

**PTC Website**

Tina and Staci Allen are working together to launch the retooled website. Target date is December 1st.

**Volunteer Spotlight**

The spotlight next month will be on Lori Burne. Read about how Lori makes Buckeye a better place in the next issue of the PTC Newsletter

**New Business Cont'd**

**Assemblies**

Lori is working on some great assemblies in the months ahead. The last one for 2008 will be TBD for sometime in December. It will feature "Golden Bough" a Celtic musical group.

**Harvest Festival Update**

Nikki Costello says all going well. Still needed at meeting time were more baked goods for the Kindergarten booth, and more volunteers at the Welcome Table.

**Fundraisers**

Family Dining Out Night ie: last year at Applebee's; Kim McPherson will help Lori plan and set something up. Details forthcoming.

**Field Trips**

Specifically the 4th grade field trip to Coloma. This was a huge topic that much of the meeting was about. The 4th grade teachers are asking the PTC to consider funding some of the scholarships. Explanation of the Coloma trip was given by Mrs. Snyder and Mrs. Olsen. In a nutshell: economic circumstances have caused more students to need full scholarships (175.00 per child). Installment payments can be made, but money is still needed. After all fundraising money is used up, the district will kick in the balance, but only up to a point. So far this year, 1925.00 is needed in scholarship money. It's all kids go, or nobody goes. Some ideas that were brought up: getting business support; parent sponsor program; meeting with the 3rd grade parents so they can start saving. Any other ideas welcomed. After much discussion, the topic was tabled until next meeting.

With no further business, Laura adjourned the meeting at 6:55 p.m.

At meeting time, there were no plans for a November meeting.  
( A meeting has since been scheduled for Wednesday, Nov 12th @ 5:30.

Respectfully Submitted,

Stephanie Mitchell  
Buckeye PTC Secretary
